BIO

TAZ ANGULLIA //

Of Eurasian and Indian descend born and bred in Singapore. Being raised in a musically inclined family, performing arts has always been a part of life.

Taz is no stranger to stage performances. Her passion of blending traditional ethnic vocals with vibrant elements of heavily percussive house music and tight basslines swiftly made her feel drawn to the decks to materialise her ideas through DJing. Infused with a unique energy, she continues to push boundaries in her creative pursuits, drawing inspiration from her ethnicity and travels.

She began playing the likes of private gigs and went on to playing major clubs and official music events in Singapore, Germany, Netherlands, Spain, Korea, India, Hong kong, Thailand Malaysia and Indonesia. Such as F1 Singapore Grand Prix and festivals all over asia.

She has been collaborating with producers in the recent years and has 2 song releases under her belt. Expect nothing short of infectious rhythm when having her at the helm.
